F-14 TOMCAT MONUMENT PROJECT

Your support for preserving the memory of the last true United States Navy fighter aircraft is crucial!

The F-14 Tomcat Monument will be a 10-ft. tall, four-sided, black granite obelisk and will be an integral part of the Naval Aviation Monument Park adjacent to the boardwalk in Virginia Beach, VA.

Laser-etched storyboard panels will display images of the iconic variable-sweep wing fighter, as well as descriptive text that will be visible on all four sides of the obelisk. The panels will depict aircraft operations, a tribute to maintenance and operational personnel, and a commemoration of those who gave their all flying the Tomcat.

The Monument will be funded by donations at the three levels shown below. All donors at these levels will have their Rank, Name, Call Sign (as appropriate), and Service inscribed on the monument. Other donations are welcome and will be recognized on our website.

☐ **Mach 2 Level – $1000** ☐ **Mach 1 Level – $500** ☐ **Afterburner Level – $250**

For those who selected one of the above donation levels, please insert your desired information in the spaces below (*30 characters max, including spaces and punctuation*).

Payment can be by check to the "F-14 Tomcat Monument Association" or online via PayPal.

Contribution amount: _____ Name: _____
