F-14 TOMCAT MONUMENT PROJECT

Your support for preserving the memory of the last true Naval Aviation fighter aircraft is crucial!

The F-14 Tomcat Monument is a 12' tall granite obelisk already in place at the Naval Aviation Monument Park on the Boardwalk in Virginia Beach, VA and the National Naval Aviation Museum aboard NAS Pensacola. The final install site is in San Diego, CA.

Laser-etched storyboard panels display images of the iconic variable-wing fighter and descriptive text on all four sides. The Monument is a tribute to maintenance and operation personnel, and a commemoration of those who gave all flying the jet.

The Monument will be funded by donations at the three levels shown. All donors at these levels will have their Rank, Call Sign (as appropriate) and Service inscribed on the monument. Other donations are welcome.

☐ **Mach 2 Level – $1000** ☐ **Mach 1 Level – $500** ☐ **Afterburner Level – $250**

For those who selected one of the above donation levels, please insert your desired information in the spaces below (*30 characters max, including spaces and punctuation*).

Payment can be by check to the "F-14 Tomcat Monument Association" or online via PayPal.
